To: **Racing Sponsorship Department**  
 Regarding: **2009 Motorcycle Off Road Sponsorship**

My objective is to Race and receive financial and/or Product Support for Off-Road Motorcycle Racing for the year 2009.

I have raced for 22 years, **Professionally (ATV)** for the last 16 years. I have earned the respect of fellow racers. I am very dedicated to the sport of Off Road Racing and give my all to win. I race **ATV's** and **Motorcycles**; therefore, I can promote and endorse your products in a larger arena than most. I have the opportunity to meet and talk to a lot of racers and Off Road enthusiasts. I will professionally promote, demonstrate and/or distribute any products/ promotional material you would be willing to offer.

I will give 100% to help increase the sales of your products. I will put up banners, hand out brochures at races, place your decals on my race machines, make a banner of my sponsors and put it out in front of my pits, mention sponsors on my web page, acknowledge sponsors at award banquets and interviews and most of all I will tell people the benefits of your products (Word Of Mouth). I will also have a web page that has a link to your site.

**☑ Special thanks to all my 2008 Sponsors, without their Support I would not be able to achieve my racing goals.**

Respectfully,

Kyle Krause
